

**Monday  
21<sup>st</sup> November**

**9.30am -  
12.30pm**

# Bulb Planting Event

Get some fresh air and gentle exercise, meet others from your local area and help out at our community bulb planting and wildflower seed sowing event.

We will be planting a variety of spring flowering bulbs including snowdrops, daffodils, crocus and bluebells. We are also going to be sowing some wildflower seeds this year.

**Please bring sensible footwear and warm clothing and we will provide gloves, hi-vis vests and other equipment.**

Strawberry Lane Cemetery, Upper Landywood Lane, Great Wyrley, WS6 7AU
