

The Occupier

17<sup>th</sup> March 2023

**Replacement of Link Box High St Cheslyn Hay**

Dear Occupier

Following on from a mains electricity fault in your area, I am writing to inform you further work is required. This is to improve the quality and reliability of your power supply.

To complete these works we need to close a section of High Street and alter the one way direction of Cross Street. Please see the reverse of this letter for a plan of the diversion routes.

I appreciate this will cause some disruption and we are aiming to keep the time taken to an absolute minimum. These works are due to start on **Monday 27<sup>th</sup> March 2023** and we will aim to have the road re-opened by **Friday 31<sup>st</sup> March 2023**.

---

If you have any queries or would like more information regarding the above works and how they will affect you, please telephone 0121 224 4209 quoting – Cheslyn Hay Linkbox

Office hours are between 8am – 4pm.

Thank you in advance for your patience and co-operation whilst these essential works are being carried out.
